ET ACHIEVERS 2024 A NIGHT OF BIG WINS AND BOLD LEADERS!

The ET Achievers 2024 event, held on 30th September 2024 at the opulent Sheraton Grand Bangalore Hotel at Brigade Gateway, was nothing short of spectacular. The prestigious event celebrated success stories across a wide array of sectors, bringing together leaders and innovators who have made remarkable contributions in industries such as automotive, retail, real estate, healthcare, e-commerce, FMCG, start-ups, fashion, fitness, jewellery, hospitality, and more. From fast-growing startups that are transforming traditional industries to well-established corporate giants pushing the boundaries of innovation, the awards sought to commend those who have made an outstanding impact in their respective fields.

Conceptualised by Optimal Media Solutions, a division of Times Internet Limited, The Times of India, ET Achievers 2024 offered a unique platform to honour the trailblazers who are reshaping industries and driving change through their entrepreneurial spirit and innovative vision.

The evening was graced by Sonu Sood, Bollywood actor, humanitarian, and philanthropist, who served as the chief guest and added a touch of star power. Speaking at the event, he said, "Bengaluru is a place I love coming back to because of the kind of warmth and love I get here. It was a phenomenal evening, we got to see some amazing
